

Curriculum vitae

First name:

Noor Mohammad

Second name:

Arefian

Title:

Doctor (Anesthesiologist and intensivist)

Date of birth:

2. July.1971

Nationality:

Iranian

Address:

A42, No 11, Ghermez Alley, Einabadi Street, kolaheedooz street .Tehran, Iran

Zip cod:

1959974711

Phone number:

00982122761538

Cell Phone number:

00989121723138

Email address:

narefian@yahoo.com

narefian@Gmail.com

Family information:

Wife: Janet Mahjouri (Gynecologist)

Children: 1-Amirali (son, 16) 2- Armita (daughter, 10)

Current position

- Associate professor and head of Anesthesiology and intensive care department, shohada-e- tajrish hospital, shahid beheshty Medical Sciences University, Tehran, Iran, 2008-2014.

Shohada-e- tajrish Center is the largest vascular Surgery and trauma Center in Iran with 12000 Adult and Paediatric vascular and trauma Surgeries per year

Academic honors

- The first rank of Iranian board of anesthesia examination. Tehran, Iran, 2001.
- Winner of appreciation prize from minister of health. Tehran, Iran, 2001.
- Winner of appreciation prize from shahid beheshti university president. Tehran, Iran, 2001.
- Member of the elite national foundation. Tehran, Iran, since 2009.

Education and qualification

- 1998-2001 Anesthesia & Intensive care residency, Beheshti University of medical sciences (National Iranian University)
- 1990-1997 General medicine, kerman University of Medical Sciences (National Iranian University)

Professional experience

- 1- Associate professor and head of Anesthesiology and intensive care department, shohada-e- tajrish hospital, shahid beheshti Medical Sciences University, Tehran, Iran, since 2008-2014.

- 2- Educational deputy of Anesthesia and intensive care department, Shohada-e-tajrish hospital, Shahid Beheshti Medical sciences University, Tehran, Iran. 2001-2008.
- 3- Medical director of pain department, Shohada medical and educational center .shahid beheshti university .Tehran, Iran, since 2008.
- 4- Medical director of drug control department, shohada medical and educational center .shahid beheshti university .Tehran, Iran, since 2005.
- 5- Attending Anesthesiologist and associate professor of shohada medical and educational center, Tehran, Iran, since 2008.
- 6- Attending Anesthesiologist and assistant professor of shohada medical and educational center, Tehran, Iran, 2001-2008.
- 7- Member of board of Arman private hospital. Tehran, Iran, 2005-2007.
- 8- Anesthesiologist of Pars private hospital, Tehran, Iran, 2001-2003.
- 9- Anesthesiologist of Azadi private hospital, Tehran, Iran, 2001-2003.
- 10- Anesthesiologist of Mahrads private hospital, Tehran, Iran, 2004-2008.
- 11- Anesthesiologist of Milad hospital, Tehran, Iran, 2001-2006.
- 12- Anesthesiologist of Shams day clinic private center, Tehran, Iran, 2001-2004
- 13- Anesthesiologist of Alfa day clinic private center, Tehran, Iran, since 2001-2007
- 14- Anesthesiologist of Payambaran private hospital, Tehran, Iran, since 2003-2006

Affiliations

- 1- Member of international society of anesthesiologists
- 2- Member of Iranian society of anesthesiologists
- 3- Member of Iranian medical council

Committees

- 1- Member of Residency planning committee, shahid beheshti Medical Science University, since 2002.
- 2- Member of pain committee, shahid beheshti Medical Science University, since 2005.
- 3- Member of scientific committee, Iranian society of anesthesiology and intensive care, since 2002.

- 4- Director of geographic fulltime committee, shohada medical and educational center, Tehran, Iran, since 2007.
- 5- Member of operation room committee, Shohada Tajrish medical and educational center, Tehran, Iran. , since 2005.
- 6- Member of educational purposes for anesthesia residents committee, Shahid Beheshty University, Tehran, Iran, since 2004.
- 7- Member of scientific committee, Iranian journal of surgery, since 2008.
- 8- Member of scientific committee, cardiovascular anesthesia congress, Yazd, Iran, 2009.
- 9- Editorial board , Journal of Cellular and Molecular Anesthesia , Tehran , Iran , Since 2014

Reviewer ship

- 1- Reviewer of Pajouhandeh quarterly research journal, since 2003.
- 2- Reviewer of Iranian Anesthesiology journal, since 2002.
- 3- Reviewer of Iranian surgical journal, since 2008.

Publications

1- Accuracy of Combined EEG Parameters in Prediction the Depth of Anesthesia , Iranian Red Crescent Medical Journal. 14,12(2012)

2-The Comparative Effects of ondansetron versus dexamethasone plus metoclopramide on post operative nausea and vomiting (PONV) after induction of Anesthesia with Etomidate

3-Depression in special ward's(ICU,CCU) and general ward's nurses, A comparative study,vol 2, number 3, Iranian journal of cancer prevention

4-Estimating the depth of anesthesia using fuzzy soft computation applied to EEG features , journal of intelligent data analysis , IOS Press,12(2008)1-15 .

5-Evaluation of prevalence of awareness during general anesthesia for cesarean section, volume 5,number 2,summer 2007,journal of Army university of medical sciences of the I.R.Iran.

6- Acquaintance of patients with the aims of Pre operative Anesthesia Evaluation Clinic volume 6, number2, 2007, TANNAFFOS medical journal.

- 7-Effects of partial parenteral versus enteral nutritional therapy on serum indices, in multiple trauma patients, volume 6, number 4, 2007, TANNAFFOS medical journal.
- 8-Clinicopathological features of primary central nervous system lymphoma, volume 11(4):284-288, 2006, Neurosciences journal.
- 9-Clinical analysis of EEG parameters in prediction of the depth of anesthesia in different stages, a comparative study, internet journal of anesthesia, 2008.
- 10--Surveying different tests for predicting difficult endotracheal intubation, vol 6, no.6 (26), 2001-2, Pajouhandeh quarterly research journal.
- 11-Translation of Miller's Text book of Anesthesia into Farsi (with permission of sir miller himself), 2002.
- 12-Text book of asthma(basic and clinical sciences), Author of 2 chapters (Anesthesia in asthmatic patients, Evaluation and monitoring of asthmatic patients in ICU) , 431-457, 2002
- 13-Editorial of Anesthesia and coexisting disease (Farsi translation).2002

Presentations

A- POSTER PRESENTATIONS

- 1- Depression in special ward's(ICU,CCU) and general ward's nurses, A comparative study, third all Africa Anesthesia Congress, Tunisia , 21-25may,2005
- 2- Classifying depth of anesthesia using EEG features, a comparison, EMBS 2007, 29th Annual international conference of the IEEE.22-26 Aug , 2007;1:4106-4109 .
- 3- Designing a fuzzy role based system to estimate depth of anesthesia, IEEE symposium on computational intelligence and data mining , April 2007,Honolulu ,Hawaii

- 4- Two different types of moist dressings of pressure sores in Milad hospital, a case evaluation study. The 2th international congress of Intensive care medicine, 28-30 September 2005, Tehran, Iran.
- 5- The success rate of CPR and its, related factors in the hospitals of Semnan University of medical science. The 2th international congress of Intensive care medicine, 28-30 September 2005, Tehran, Iran.
- 6- Frequency of anxiety in mothers who have hospitalized children in pediatrics' ICU , The 2th international congress of Intensive care medicine, 28-30 September 2005, Tehran, Iran.
- 7- Assessment of bleeding rate of TURP. International congress of Anesthesiology and intensive care medicine, 22-25 Jan, 2002, Shiraz, Iran.

ORAL PRESENTATIONS

- 1- Pharmacologic therapy in pain, the 2nd international congress of pulmonary disease, Intensive care and tuberculosis, Tehran, Iran, 2005.
- 2- Acute pancreatitis in ICU, 2th international congress of intensive care medicine, September 2005, Tehran, Iran.
- 3- Management of hemorrhagic shock, 29th annual scientific congress of Iranian association of surgeons, 2005, Tehran, Iran
- 4- Nutritional therapy in ICU. 1ST International congress of Anesthesiology and intensive care medicine, 2003, Tehran, Iran.
- 5- Total Parenteral Nutritional therapy (TPN), 26th annual scientific congress of Iranian association of surgeons, 2002, Tehran, Iran
- 6- Autologous transfusion. 27th annual scientific congress of Iranian association of surgeons, 2003, Tehran, Iran
- 7- New aspect of anesthesia in esophageal and gastric cancer, Esophageal and gastric cancer congress, 12-14 Jan, 2007
- 8- Effects of partial parenteral versus enteral nutritional therapy on serum indices, in multiple trauma patients, Vascular and trauma management congress, 13-15 Feb, 2007, Tehran, Iran
- 9- Pharmacologic and non pharmacologic management of pain , pain congress , 2-4 Mar , 2010 , Tehran , Iran

Medical thesis supervised

- 1- Depression in special ward's (ICU, CCU) and general ward's nurses, a comparative study, 2002.
- 2- Clinical analysis of EEG parameters in prediction of the depth of anesthesia, 2006.

Language

- Persian(native)
- English (fluent)

HOBBIES

- Sports: swimming & football
- Computer & internet
