

CURRICULUM VITAE

HOMEYRA – KOUZEKANANI

Medical Doctor (Anesthesiologist)

Date of birth = 11, jan. , 1966

Nationality = Iranian

Adress =No 55,Shahid Sadr Ave,

Vallie-Asr street

Tehran , Iran

Zip code = 15949

Tel. = 009821-88908485

0098912-1307193

E-mail = homeyra_k@yahoo.com

Professional Experiences :

1993 till present = Assistant professor of anesthesia &
critical care,
Shahid Beheshti Medical University ,
Tehran – Iran

Post graduate Education :

1983 – 1990 = General practitioner,
Shahid Beheshti Medical University,
Tehran – Iran

1990 – 1993 = Anesthesia residency
Shahid Beheshti Medical University
Tehran – Iran

Clinical History :

A- Professional Experiences :

- 1- Anesthesiologist & Assistant professor,
Mahdieh Medical & Educational Center,
Tehran – Iran
1993 – 1999
- 2- Anesthesiologist & Assistant professor,
Mofid Medical & Educational Center,
Tehran – Iran
1994 – 1996
- 3- Anesthesiologist & Assistant professor,
Shohada-e-Tajrish Medical & Educational Center,
Tehran – Iran
1999 till present
- 4- Head of departement of anesthesiology,
Mahdieh Medical & Educational Center,
Tehran – Iran
1994-1999

B- Fellow ship & Residency :

Anesthesia residency, Departement of anesthesia & intensive care, Shahid Beheshti Medical University,
1990 – 1993

C- Intern ship :

Intern , Shahid Beheshti Faculty of Medicine Centers
1988 – 1990

Affiliations :

- Member of Iranian Society of Anesthesiologists
- Member of International Society of Anesthesiologists
- Member of Iranian Medical Council

Committees :

- 1- Member of Mortality & Morbidity Committee,
Shohada-e-Tajrish Medical & Educational Center,
Tehran – Iran
2006 till present
- 2- Member of Emergency Committee,
Shohada-e-Tajrish Medical & Educational Center,
Tehran – Iran
2002 – 2005
- 3- Member of Educational purposes of Anesthesia Residency
Departement of Anesthesiology & Intensive Care,
Shahid Beheshti Medical University,
Tehran – Iran
1999- 2001

Reviewer ship :

- Reviewer of Pejouhandeh quarterly Research Journal,
2008 till present

Research Programs :

- 1- Comparing the analgesic & side effects of Ketorolak & Pentazocin on post operative pain in cesarean section, M.Heidari monfared, H.Kouzekanani, S.Hajifaraji, 1997
- 2- Evaluation of sensory height of spinal anesthesia with Lidocain 5% for cesarean section, Sh.Khorasanizadeh, M.Moinsadat, H.Kouzekanani, 2000
- 3- Comparing the hemodynamic effects of mini dosage of Marcaine + Fentanyl with routin dosage of Marcaine in TURP surgeries, H.Kouzekanani, K.Bagherzadi, 2000

Publications :

- 1- Evaluation of sensory height of spinal anesthesia with Lidocain 5% for cesarean section, Sh.Khorasanizade, M.Moinsadat, H.Kouzekanani, L.Gachkar Pejouhandeh quarterly research journal, summer 2001 (vol. 6 , no. 2 , 151-156)
- 2- Comparing the effects of mini dosage of Marcaine + Fentanyl and routin intra thecal dosage of Marcaine on hemodynamic effects during TURP surgeries, H.Kouzekanani, K.Bagherzadi Pejouhandeh quarterly research journal, summer 2001 (vol. 6 , no. 3 , 259-263)

3- Comparig the effects of general & epidural anesthesia on BP in pre-eclamptic patients,
Sh.Khorasanizadeh, M.Pourzamani, H.Kouzekanani
Pejouhandeh quarterly research journal,
Feb 2003 (vol. 8 , no.6, 421-425)

Presentations :

A-Posters

1-Entonox in painless vaginal delivery,
5th Iranian Congress of Anesthesiology & Critical care,
Tehran – Iran
1998

2- CPR in pregnancy,
5th Iranian Congress of Anesthesiology & Critical care,
Tehran – Iran
1998

3-Investigation of causes of maternal deaths during the last decade(1989-1998) in Shahid Beheshti University Hospitals,
5th Iranian Congress of Anesthesiology & Critical care,
Tehran – Iran
1998

4- Minimal effective induction dosage of Sodium-thiopental in patients of Shahid Beheshti University Hospitals,
2th International Congress of Anesthesiology & Critical care,
Tehran – Iran
2005

5-Effect of Pethidine,Fentanyl and Morphin on post-anesthesia shivering,
2009 annual meeting of the international anesthesia research society(IARS),
San Diego – California
2009

B- Oral Presentations

1-Premedication with oral clonidine on quality & duration of spinal anesthesia,
6th Iranian Congress of Anesthesiology & Critical care,
Isfahan – Iran
2000

2- Epidural Fentanyl improve quality of block during cesarean section,
6th Iranian Congress of anesthesiology & Critical care,
Isfahan – Iran
2000

3- Neurologic complication of spinal anesthesia in Mahdieh hospital during 1993- 1999,
6th Iranian congress of Anesthesiology & Critical care,
Isfahan – Iran
2000

4- A study of the effects of various methods of anesthesia on intra operative hemorrhage in TURP surgeries,
7th Iranian Congrass of Anesthesiology & Critical care,
Isfahan – Iran
2000

5- The effect of alkalized local anesthetics on the duration of epidural anesthesia in cesarean section,
2th International Congress of Anestyhesiology & Critical care,
Tehran – Iran
2005

6- Comparison the effect of general & epidural anesthesia on BP in pre-eclamptic patients,
8th Iranian congress of Anesthesiology & Critical care,
Tehran – Iran
2005

Medical Thesis Supervised :

1- Incidence of nausea & vomiting in laparoscopic surgeries.
(1995 – 1996)

2- The effect of premedication with oral clonidine on quality & duration of spinal anesthesia.
(1998 – 1999)

3- Comparing the effects of oral clonidine & intravenous Fentanyl on stress response of laryngoscopy & intubation.
(1998 – 1999)

4- Comparing the hemodynamic effect of mini dosage Marcaine + Fentanyl & routin dosage of Marcaine in TURP surgeries.
(1999 – 2000)

Teaching Experiences :

1- Anesthesiology residents training, specially board review classes,
Shahid Beheshti Medical University,
1993 till presents

2- Medical school students training in their intern ship period,
Shahid Beheshti Medical University,
1993 till presents

3- Nursing school ,
Shahid Beheshti Medical University,
1994 till present
